Overview

Thank you for your interest in my professional disc jockey service. Let's work together and your guests will rave about the entertainment at your event. Here is a brief summary of my qualifications:

Experience. I have over ten years experience as a professional mobile disc jockey. I specialize in wedding receptions; having personally performed for more than 300 wedding parties. However, I am comfortable working all occasions, and enjoy entertaining at birthday parties, corporate events, teen dances, Bar/Bat Mitzvahs, bars and nightclubs, and outdoor events.

Music. I don't specialize in one type of music; I collect it all! I carry 1000 CDs with over 15,000 titles to each event. This is much more music than needed for most parties, but I like to be prepared for all types of requests. My collection ranges from Big Band to today's hits, and each month I receive new music through a subscription available to radio stations and professional disc jockeys.

Equipment. My equipment is of the highest quality and is always neatly displayed. The speakers are mounted on stands, and my professional lighting system will set the mood for any occasion. I bring additional microphones for maximum audience participation. I also have a lighted dance platform that can be used to enhance your party and allow "spotlight dancers" to take the stage and get noticed.

Customer Service. One of my greatest strengths is in customer service. I will coordinate all the entertainment details of your party, and ensure those details are carried out to exceed your expectations. My ability to "read an audience" and remain flexible helps me determine when to be "mild" or "wild." I especially enjoy parties where I can encourage audience participation in group activities. I can provide dance instruction in ballroom, swing, country and line dances at no additional cost. When appropriate I will organize activities and games, bringing my own props and prizes.

Price. Cyclone Sound is certainly not a discount DJ service, but my prices are competitive for my level of service and experience. Prices may vary depending on the type of event, date, and location, so please call or use the e-mail link to request a price quote.

Let me make your special occasion a truly memorable experience. Call me at (618) 345-7777 to plan your party.

Sincerely,
Rick Anzelone
