## Testimonials

Hearing kind words of praise from my customers after each event is one of the reasons my job is so rewarding. Here are some comments I received from customer thank-you cards and letters:

- Rick, it has been three months since my wedding and people are still talking about how much fun they had! I only sat down twice during the entire reception because I loved every song you played. You helped to make the day truly perfect. Thanks again. - Melissa
- Dear Rick, just wanted to say thanks again for doing such an awesome job at our reception. Everyone is talking about how great our DJ was. We even received compliments about your choice of music for the cocktail and dinner hour. Feel free to use us as a reference, and we hope to see you at another party! - Mike and Lexie
- Rick, I cannot thank you enough for all of your kindness and hard work. You are wonderful and certainly take pride in what you do. I received nothing but compliments about you. Everyone loved the way you interacted and the music you chose. I want to send special thanks for all of your help and patience during the planning stage of the wedding. I really can't thank you enough! – Mary
- Dear Rick, Great job! I had several people come up to me afterward and also the next day to talk about the wonderful job you did. You kept the young people as well as the old up on the dance floor. Thanks again, Don and Mary (parents of the groom)
- Rick – We couldn't have done it without you! Thank you so much for your time and talent with the music and planning. With your help we raised over \$63,000 toward cancer research and local support programs. - Kathy
